Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

February 18, 2010

Madam,

I, Chief :Nanya-Shaabu:El of the At-sik-hata Nation of Yamassee Moors – United Nation IPO #2718, write this letter in regards to: File TK No:090939596P1-01-001; PRIV ; 09-1066738; RSA 09-1066738 and all related file numbers in St. Albert, Alberta(sic). It appears that your subjects in Alberta, do not have any regard whatsoever for the contracts, obligations and International Commitments that they are required to adhere to and obey. I am being forced to undergo and endure psychological assessments, for exposing the fact that Kenyouth Lucien Henry, a confidential informant has killed my father, put a hit out on my mother – which he did not succeed – in an attempt to frame me and none of the law enforcement agencies here in Canada(sic) will question or arrest him. These action against my family are known as: Genocide, Apartheid, Rape, Forced Assimilation et.al. and are violations of International Law

I speak at the United Nations Permanent Forum on Indigenous Issues and I am Recognized Internationally as an Indigenous Man in accord with International Law. I would very much appreciate that you keep your chattel, privateers, wards, servants, slaves and subjects in line. Your statement prior to the meeting at the G-20 last year as to "*Why no one saw this*" regarding the worldwide financial meltdown is because you are not keeping an effective eye on your employees. Your chattel, privateers, wards, servants, slaves and subjects are becoming rogue and if you do not rein them in, you will find yourself entangled in matters not of your creation but for which you will become entirely responsible for. Your chattel, privateers, wards, servants, slaves and subjects are creating more problems for you than they are solving and as such the effects will not be to your amusement.

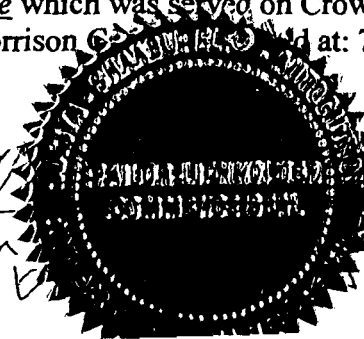

If you cannot, will not, are unable to, or refuse to rein in your chattel, privateers, wards, servants and subjects from continuing to persecute My Family and My Nation, then I will appeal to my Ancestors, the Ancient Ones and the Old Ones who still exist and who are the original inhabitants of this land you call Canada, which we know is: Atlan, Amexem, Turtle Island, Land of the Frogs, Egypt of the West and I can guarantee you they will clean your house for you. See: <http://sites.google.com/site/autochthonquantumclaims>.

I tender to you the following websites: <http://indigenous9.tripod.com>, <http://naturalcredit.tripod.com> and <http://sites.google.com/site/authenticexport/atsikhata-1> , which should clear up any corporate presumption, assumption and opinion of my Indigenous Standing. I reiterate and bring to your attention that I am not your chattel, privateer, ward, servant, slave or subject and 621.1 of the Canada criminal code applies to corporations which are fictitious entities and I am not a fictitious entity. I am a descendant of the Autochthonous people of this hemisphere and this planet Earth of which you are well aware and knowledgeable of and your corporate codes do not apply to me. I attach a *Statutory Coram Non Judice* which was served on Crown Prosecutor Jeffrey Morrison(3 pages attached) on October 7 2009. Mr. Morrison C-3352 and at: 780-638-3352 fax: 780-638-3371.

I Most Humbly Thank you for your Honor, Madam.

Affidavit & Statement of Facts

1. Crown Prosecutor Jeffrey Morrison stated on the Record on June 21, 2010 - which was National Aboriginal Week - he is an officer of the Court in St. Albert Provincial Court. As an Official of the Court, Mr. Morrison knows that covering up an indictable offense is a violation under Section 140 of the Canada Criminal Code. The Crown Prosecutor is aware of the fact that I, :Nancy-Shaabu:El, have Power of Attorney for the Complainant: Kenyouth Lucien Henry, through his will. The will of Kenyouth Henry is a "hit" planned on Mrs. Merle Henry, the Widow of Jersey Henry (deceased). The Complainant, Kenyouth Lucien Henry, has perjured himself under Section 131; obstructed under Section 139 - as has the Crown Prosecutor - of the Canada Criminal Code. The Complainant has liens filed against him in accord with the P.P.S.A. Registry and the Uniform Commercial Code and the Hague Statute on Private International law - which Canada is a Signatory to, therefore Canada's Courts are obligated under International law to obey under the United Nations Charter.

2. Section 126 of the Canada Criminal Code is disobedience by a Public Official for disobeying a Statute. Section 405 of the C.C.C. makes it an indictable offense for Acknowledging an Instrument in a false name; the Crown Prosecutor has knowledge my name is not Sean Henry as the Crown was presented on December 14, 2009 on the Record in the Provincial Court of St. Albert by the Student-at-law for Peter Royal Q.C. (who I fired January 6 2010) an affidavit signed by the Complainant Kenyouth Lucien Henry and filed in the Court of Queen's bench (Case number 0903 15282) November 5 2009 by Winston Tuttle Student-at-law of Carr & Company lawyers; a Receipt from land titles with my name on it and a Joint tenancy of August 2, 2007 with the Complainant, Kenyouth Henry as Transferor and Myself :Nancy-Shaabu:El as witness, Affirmed before Deputy Registrar - Shirley Irton; The Recognize bond I was forced to sign under Duress, threat, coercion. I asked Judge Nemirsky "if I sign this document will I be committing Perjury?" the Court Deferred to the Crown, the Crown - Jeffrey Morrison - told the Court "there is no need to worry about that"; therefore the Crown Prosecutor Jeffrey Morrison is Guilty of Inducing me to

2

Committ fraud, the Crown has committed fraud upon the Court and has violated Sections 405, 140, 139, 131, 126 and 74 of the Canada Criminal Code.

3. The Crown Prosecutor is aware that I do not have an Alberta Health Card nor an Alberta Health Care Number and that the Psyche Assessment done at Alberta Hospital on November 16-30, 2009 was done in a Fictitious Name nor is it my name, which is a violation of the Alberta Bill of Rights, United Nations Charter and Section 35 of the Canada Constitution Act; Susan Connelly and Alberta Health Services Director Maricka Purdon can confirm I do not have nor have I had an Alberta Health Card or Number. The Crown and Judge Nemirsky of St. Albert are aware the Alberta Health Care Number was Computer Generated and False information entered into A.H.S. Computer system, see letter I wrote to St. Albert Provincial Court Judge Nemirsky January 7 2010 available online via google search.

4. Rav Bains did not inform the Court, while on the Stand, that since April 30 2010, I have been bringing my mother with me to the Stony Plain Probation Office and he refused to speak with my mother and Myself in his Office. Mr. Bains wanted to speak with my mother Privately and would not allow me to be present while he spoke with my mother, of course we refused this illegal act by Mr. Bains. Mr. Bains on June 2, 2010 swore a False oath on a bible that is not a 1601 King James bible which the Queen was inaugurated with and is required for all the Queen's Subjects to take an Oath on; Rav Bains Oath of June 2, 2010 was fraudulent. Mr. Bains must retake the Stand and Swear an Oath on the 1601 King James Version of the Bible and be cross-examined by Myself, in Stony Plain Court.

5. I am Indigencous and Chief of the At-sik-hata Nation of Yamessee Moors JNIP0 # 2718. The Crown has no Jurisdiction or Subject Matter Jurisdiction in this matter whatsoever. C.C.C. 621.1 applies to Corporations, I am not a Corporation nor am I Chattel Property, Slave, Debtor or Serf of Canada, Alberta or

Queen Elizabeth II of England. I give the Courts of Alberta and Canada Notice and Knowledge I am a Secured Party, Creditor and Post master with liens filed against the Province of Alberta and the Government of Canada in the P.P.S.A. Registry here in the Province of Alberta and the Commonwealth of Kentucky. I have wrote Her Majesty Queen Elizabeth II and informed her of the Genocide, Apartheid, Rape, Ethnic cleansing, collusion and Conspiracy involving her Privateers, Agents, Subjects here in Canada against me and my Nation; all in violation of International law. As a descendant of the Original People and First Nation here on this land Mass we call Great Turtle Island, Atlan, Amexem, land of the Froys, I have given Her Majesty, Crown Prosecutor Jeffrey Morrison's number and the letter to Her Majesty sent directly to Buckingham Palace has been confirmed by Canada Post as being received by Her Majesty's mail service and Her Majesty's webmaster, via twitter and Facebook as well as Published on the Internet.

Conclusion

Since Stony Plain & St. Albert Provincial Courts are Vessels in Dry Dock with no operational charters signed by Her Majesty the Queen, Royal Courts of Justice or Law Society of Alberta / Canada; there is no license in the Court Room showing its legal contract to operate on Aboriginal / Indigenous land; there is no U.N. Charter and Canada Constitution on the Desk of the Provincial Judge while presiding on the bench as required by: Treaty 6, 7, 8; U.N. Convention on Economic, Social & Cultural Rights; U.N. Declaration on the Rights of Indigenous; 1794 Jay Treaty, 1812 Treaty of Ghent, the Courts in Alberta have no Jurisdiction over me whatsoever and Proceeds Ultra Vires.

Relief Sought

In the Name of Her Majesty Queen Elizabeth II, Queen of the United Kingdom and Canada, the Crown must vacate its Position and I must be released from Edmonton Remand Centre, Instantly.

January 7 2010

Dear Honorable Nemerisky,

I, :Nanya-Shaabu:El, Chief of the At-sik-hata Nation of Yamassee Moors – United Nations IPO #2718, present to you the following Notice of Motion and Affidavit, confirming my legal name, as per Alberta Court Rules: 384 and 398. I trust this has been filed into the case regarding FILE-TK NO/ 090939596P1-01-001 and all related case numbers and file number regarding this matter. I want a date for a hearing on this NOTICE OF MOTION Filed yesterday January 6, 2010. I was told on January 4 2010 that all I had to do was bring in the motion and a date would be set, as you can see I was not given any date.

I also present to you a copy of a Psyche Assessment done on October 3, 2008 (5 pages - albeit the actions of the R.C.M.P. was criminal trespass as they busted into my mother's house without allowing her to contact her lawyer and stating she did not need to contact her lawyer – violation of the Canada Charter of Rights and the United Nations Declaration on Human Rights, located on the Back of the Canadian \$ 50.00 Note). I do not have an Alberta Health Care Number as I am NON-RESIDENT to the PROVINCE OF ALBERTA which was confirmed by the Author of the Assessment in the Presence of the R.C.M.P. and the assistant nurse. There was no PACT follow up as they know I do not have an Alberta Health care number so they knew they would not get paid. So, it is obvious that the assessment done at Alberta Hospital from November 16, 2009 – November 30, 2009 was illegal since I did not have an Alberta Health Card in 2008 how could I have one in 2009? It is apparent someone at Alberta Health Care and the Edmonton Remand Centre is Fraudulently inputting information, falsely attributing it to me under a false name, with no contract nor any evidence to confirm the information on the computer is correct, that means this is Fruit of a Poisonous Tree, *Fraud est celare Fraudem* and *Fraudem voidem contractus ab initio*. This requires you to order an Investigation as to who is tampering with the Government of Alberta's Computer System and tendering to you misleading information. This case and actions automatically must be thrown out due to conspiracy, collusion, fraud, violations of International and Domestic laws. I further bring to your attention that Mr. Kenyouth Henry has planted recording / listening devices at the private property of Merle Henry and has tracking software on the phone lines, which means everytime the phone here rings his phone will also ring meaning he has the ability to know who my mother and I are speaking with and talking to, this violates the spirit of the Peace Bond for HENRY, SEAN^{OTM}. I have informed INTEPOL and Alberta Corrections Stony Plain branch – Pavan Gill of this obvious invasion of Privacy by Kenyouth Lucien Henry. I require all listening, tracking devices which he placed in the house be removed immediately.

Further, in accord with the Edmonton Aboriginal Accord, Section 35 of the Canada Constitution Act and the United Nations Declaration on the Rights of Indigenous Peoples, United Nations Convention on Economic, Social and Cultural Rights it is required that this proceeding be moved to an Aboriginal Court as the Crown is fully aware I am Aboriginal / Indigenous and that Canada's Corporate Codes they have no Jurisdiction over me whatsoever. I do not believe that the crown is giving you full disclosure regarding the true facts in this matter. If there are any matters I need to me made aware of do not hesitate to contact me. I present you a letter to me from the United Nations Secretariat dated February 14 2008.

I Humbly thank you for your Oath, time, bond and consideration in this matter.

My Honor,

**NOTICE OF DEFENSE IN RECOUPMENT UNDER U.C.C. §3-305, COUNTER-CLAIM
UNDER U.C.C. §3-306 AND NEGATIVE AVERMENT UNDER RULE 9 FRCP.**

**NOTICE TO HER MAJESTY QUEEN ELIZABETH II IS NOTICE TO HER SUBJECTS,
NOTICE TO THE SUBJECTS OF HER MAJESTY QUEEN ELIZABETH II IS NOTICE TO
HER MAJESTY.**

In accord with the Alberta Queens Printer I give KNOWLEDGE for all relevant and associated parties of this Notice of Defense in Recoupment (U.C.C. § 3-305, § 3-306) in accord with: The United Nations Charter Articles 55 & 56, the Hague Statute on Private International law, the United Nations International Law of the Sea(UNILOS) and the Uniform Commercial Code.

First Claim

I, :Nanya-Shaabu:El: ®TM, am an Indigenous Yamassee Native American Moor/Secured Party(United Nations I PO# 2718, www.docip.org/PermanetForum/Statements.html May16,2006, UCC Financing Statement #060200513869) and Chief of the At-sik-hata Nation of Yamassee Moors. (see United Nations Declaration on the Rights of Indigenous Peoples, Section 35 of the Canada Constitution Act and Articles 55 & 56 of the United Nations Charter). HENRY, SEAN the Defendant, is an artificial corporation in accord with Section 621.1 of the

Canada Criminal Code and exists as a cestui que trust, only in the contemplation of law and resides in Toronto.(see letter from Revenue Canada dated April 25 2008 in Affidavit file in St. Albert January 6 2010) .

Second Claim

The Alleged Defendant, HENRY SEAN, is a debtor and fictitious entity. :Nanya-Shaabu:El: ®TM, The Creditor-in-Fact and Secured party in this commercial matter, cannot be assumed to be the debtor through the court's and the Crown's use of assumption, presumption, use of modified language, legal fiction or any hidden Admiralty/Maritime/Commercial adhesion contract not signed under penalty of perjury by the Complainant/ Informant, KENYOUTH LUCIEN HENRY, THE CROWN and any other hidden parties. THE CROWN has waived its status as a creditor, when through their agent Jeffrey Morrison Q.C, accepted my tender of payment by the Return of the Promise to Appear (P.T.A.) via Process server on October 7 2009 in accord with the Canada Bills of Exchange Act, Section 57.(1) & 190. THE CROWN , has not returned the true bill in commerce since that time. Under UCC §3-409(a)&(b) and UCC §3-604(a), THE CROWN, did not adjust its accounting ledger to reflect settlement and closure of the accounts receivable side of the accounting ledger in accord with the Hague Statute on Private International Law(which went into full International legal effect on January 1 2007) of which the Country of Canada(sic) is a signatory to and which obligates the Country of Canada and THE CROWN to obey.(See Exhibit A)

Third Claim

I Accepted for value & Consideration(U.C.C. §3-401) the true bill in commerce, P.T.A. of September 25 2009 and returned the P.T.A. to Crown Attorney Jeffrey Morrison, via Process Server, in accord with Uniform Commercial Code §3-401, § 3-419 , Hague Statute on Private International Law and the Canada Bills of Exchange Act, Section 57.(1). The return of the Promise to Appear is equivalent to a commercial bond, as an order to pay under UCC §3-104(e). This may be treated either as a promise to pay or an order to pay. Since Crown Prosecutor Jeffrey Morrison , did not return the instrument to me, he obviously chose the latter; an order to pay. Under §3-104(f) of the UCC a draft is the equivalent of a check and may be securitized or monetized by

direct deposit in a commercial checking, time, thrift or savings account under Title 12 of the United States code, Section 1813(L)(1) and when deposited it becomes the equivalent of money as outlined under Section 1813(L)(1).

Fourth Claim

THE CROWN, is precluded by public policy, Canada Bills of Exchange Act, U.C.C. §1-201(24), HJR-192 and Title 31 U.S.C. § 5118(d)(2), and the Fair Debt Practices Act(Regulation 'Z' Truth-in-lending, aka, Consumer Protection Act at 15 USC §1601 and §1693) from demanding payment in any specific coin or currency of the United States or Canada. Title 31 USC §5118 (d)(2) states that an obligation governed by gold coin is discharged on payment dollar for dollar, by United States coin or currency that is a legal tender at the time of payment. The narrow view that money is limited to legal tender is rejected under Section §1-201(24) of the UCC. Money is not limited to United States dollars or Canadian dollars; See: official comments under section §3-104 of the UCC under the definition of money.

Fifth Claim

The Auditor for THE CROWN, has failed to perform its duty as fiduciary trustee of the account following accounts: File TK No:090939596P1-01-001; PRIV ; 09-1066738; RSA 09-1066738 and all other related accounts. These accounts and all related commercial instruments drafted by THE CROWN are discharged, due to THE CROWN'S non-acceptance, non-performance and non-payment under § 3-501 and §3-305(a)(b) of the UCC, which creates the evidence of a dishonor. THE CROWN and its associated Agents have knowingly and deliberately become the debtors and myself the creditor by operation of commercial and administrative law(see Indemnity Bond located on <http://naturalcredit.tripod.com>). Also worthy of note, if THE CROWN is going to treat the P.T.A. of September 25 2009 as a Liability Instrument, THE CROWN and its Agent: Queen's Council Jeffrey Morrison has to present it to me for payment, make me chargeable under §3-501 of the UCC, which THE CROWN and its agent Jeffrey Morrison has also failed to do, to the extent that THE CROWN and its agent Jeffrey Morrison are in commercial dishonor for non-acceptance, non-performance and non compliance (

U.C.C. §3- 305, § 3-306, §3-501) . On the administrative side, there has been a discharge of the debt in its entirety in accord with: The Hague Statute on Private International Law, the Canada Bills of Exchange Act Sections 57.(1) & 190, the Fair Debt Collection Practices Act and Regulation 'Z' Truth-in-Lending Act(TILA) within the 30 day time frame as mandated by law.

Sixth Claim

THE CROWN and its agent Jeffrey Morrison are not applying the correct accounting entries under GAAP. THE CROWN and its agent Jeffrey Morrison are treating the account as a trade receivable through securitization as an off balance sheet financing technique. Since THE CROWN and its agent Jeffrey Morrison have accepted the return of their instruments(P.T.A. which was Accepted for Value and Consideration) and no written response returned by Jeffrey Morrison, Q.C., I have a claim and possessory right in the instruments and their proceeds under §3-306 of the U.C.C. and all defense and claims in recoupment under section §3-305 of the U.C.C., which I exercise now, since THE CROWN and its agent Jeffrey Morrison has not credited my account. The I.R.S. Form1099-OID will identify who the principal is from, which capital and interest were taken, and who the recipient or who the payer of the funds are, and who is holding the account in escrow and unadjusted.

Seventh Claim

I am solution oriented, and want to show good faith, there are two ways of resolving this matter, since THE CROWN and its agent Jeffrey Morrison has already accepted my tender of payment and has not returned it, Canada Treasury Board Secretariat President, Stockwell Day, can instruct THE CROWN and its informant: Kenyouth Lucien Henry, through their fiduciary representative/agent Jeffrey Morrison, to credit my account for the sum said in full for settlement and closure and return my Assets, Proceeds, Products and Property to me, or instruct The Auditor of THE CROWN and its informant: Kenyouth Lucien Henry through their fiduciary representative/agent Jeffrey Morrison to return the original instruments to me, unendorsed, and I will make an alternative form of payment. Otherwise, I will consider this matter settled and closed in accord with: the Hague Statute on Private International Law, the United Nations Charter Articles 55 & 56, The Uniform Commercial

Code § 1-201(24), the United Nations Declaration on the Rights of Indigenous Peoples, the Canada Bills of Exchange Act and Section 35 of the Canada Constitution. I, :Nanya-Shaabu:El: ® ©TM require All my property not limited to but including, The Bill of lading/List of property seized from me on October 8, 2009 in Parkland County / Stony Plain Detachment of the R.C.M.P. returned to me.

Eighth Claim

My Mandatory counter-claim in accord with UNILOS convention see: articles 99, 100, 102, 106 and in accord with: Federal Rules of Civil Procedure Rules: 13, 24 and 36, the Truth in lending Act (TILA) section § 226.23, gives one the right to rescind any commercial debt contract or agreement entered into. I formally rescind these cases and account: : File TK No:090939596P1-01-001; PRIV ; 09-1066738; RSA 09-1066738 , due to violations of International Law, specifically United Nations Charter Articles 55 & 56 and UNILOS.

Ninth Claim

I require the entire amount of the bond(and the attempted default purchased and sold/monetized/securitized) by the Provincial Court of St. Albert) used to bond this case and these accounts: File TK No:090939596P1-01-001; PRIV ; 09-1066738; RSA 09-1066738 returned to me in the form of silver, certified money order or certified cheque. See: Hague Statute on Private International Law, Canada Bills of Exchange Act, 1933 order-in-Council, HJR-192; Public Law 73-10; Title 31 U.S.C. Section 5118 (d)(2), Consumer Protection Act at 15 USC §1601 and §1693.

Tenth Claim

THE CROWN and its agent Jeffrey Morrison is attempting to sell/monetize a fraudulent, manufactured default judgement/verdict for case / accounts: File TK No:090939596P1-01-001; PRIV ; 09-1066738; RSA 09-1066738. THE CROWN, the Debtor-in-fact, must give me :Nanya-Shaabu:El: ® ©TM, The Creditor-in-Fact, back all the proceeds, products, property and fixtures created/generated by this fraudulent commercial transaction; See: U.C.C. §9-607, U.C.C. §9-609.

Eleventh Claim

I now claim ALL the functional currency(called money) and all my property returned to me. The CROWN has no claim, right, title , interest in this commercial matter; see U.C.C. §3-305, §3-306, §3-419, § 9-607, §9-609(Title 13 USC § 1341,1342) .

Twelveth Claim

I now have an offset available to me, due to the lack of full disclosure by THE CROWN and its Agent: Jeffrey Morrison(see U.C.C. §3-305, U.C.C. §3-306 for unconscionable contracts). The U.C.C. §3-305, U.C.C. §3-306 , Hague Statute on Private International Law and Article 15 of the Rome Statute of the International Criminal Court (Fair Debt Collection Practices Act Title 15 USC. § 1601, § 1692, § 1693), provides remedies for deceptive or unconscionable contracts and allows payments in any legal tender U.C.C. §1-201(24), HJR-192 , Public Law 73-10, Title 31 USC § 5118d(2).

Thirteenth Claim

I have a possessory right in the instruments: September 23 2009 P.T.A. , property and the proceeds under §3-306 of the Uniform Commercial Code and any and all defense and claim of recoupment under §3-305 of the U.C.C. since my account was not credited by THE CROWN and its informant: Kenyouth Lucien Henry, nor the Fiduciary Trustee Jeffrey Morrison nor the Auditor of THE CROWN.

Fourteenth Claim

THE CROWN and its agent: Jeffrey Morrison are attempting to collect on a fraudulent note, fraudulent instrument/ P.T.A. that THE CROWN and its agent: Jeffrey Morrison have no claim, right, title or interest in. The Secured Creditor/ Secured Party, Postmaster-Banker-Judge, :Nanya-Shaabu:El: ® ©TM has a preferred interest in this commercial matter as the Lien holder and Creditor-in-Fact against THE CROWN. See: February 18 2010 Letter to Her Majesty Queen Elizabeth II, attached as Exhibits "B" & "C".

Fifteenth Claim

THE CROWN and its agent: Jeffrey Morrison has an offsetting liability pursuant to FAS95, GAAP and Thrift Finance reports. The P.T.A., Summons and related accounts are my assets. I have a right to rescind and a right to restitution of this commercial contract: File TK No:090939596P1-01-001; PRIV ; 09-1066738; RSA 09-1066738 (which is a part of this recoupment as these accounts and this case is an unconscionable contract under U.C.C. §2-302) in accord with: UNILOS Articles 99, 100, 102, 106 ; the United Nations Charter, The United Nations Declaration on the Rights of Indigenous Peoples, Article 15 of the Rome Statute of the International Criminal Court and the Hague Statute on Private International Law.

United Nations Charter

Madam,

I, Chief :Nanya-Shaabu:El of the At-sik-hata Nation of Yamassee Moors – United Nation IPO #2718, write this letter in regards to: File TK No:090939596P1-01-001; PRIV ; 09-1066738; RSA 09-1066738 and all related file numbers in St. Albert, Alberta(sic). It appears that your subjects in Alberta, do not have any regard whatsoever for the contracts, obligations and International Commitments that they are required to adhere to and obey. I am being forced to undergo and endure psychological assessments, for exposing the fact that Kenyouth Lucien Henry, a confidential informant has killed my father, put a hit out on my mother – which he did not succeed – in an attempt to frame me and none of the law enforcement agencies here in Canada(sic) will question or arrest him. These action against my family are known as: Genocide, Apartheid, Rape, Forced Assimilation et.al. and are violations of International Law

I speak at the United Nations Permanent Forum on Indigenous Issues and I am Recognized Internationally as an Indigenous Man in accord with International Law. I would very much appreciate that you keep your chattel, privateers, wards, servants, slaves and subjects in line. Your statement prior to the meeting at the G-20 last year as to “*Why no one saw this*” regarding the worldwide financial meltdown is because you are not keeping an effective eye on your employees. Your chattel, privateers, wards, servants, slaves and subjects are becoming rogue and if you do not rein them in, you will find yourself entangled in matters not of your creation but for which you will become entirely responsible for. Your chattel, privateers, wards, servants, slaves and subjects are creating more problems for you than they are solving and as such the effects will not be to your amusement.

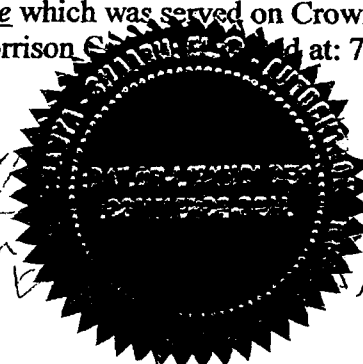

If you cannot, will not, are unable to, or refuse to rein in your chattel, privateers, wards, servants and subjects from continuing to persecute My Family and My Nation, then I will appeal to my Ancestors, the Ancient Ones and the Old Ones who still exist and who are the original inhabitants of this land you call Canada, which we know is: Atlan, Amexem, Turtle Island, Land of the Frogs, Egypt of the West and I can guarantee you they will clean your house for you. See: <http://sites.google.com/site/autochthonquantumclaims>.

I tender to you the following websites: <http://indigenous9.tripod.com>, <http://naturalcredit.tripod.com> and <http://sites.google.com/site/authenticexport/atsikhata-1>, which should clear up any corporate presumption, assumption and opinion of my Indigenous Standing. I reiterate and bring to your attention that I am not your chattel, privateer, ward, servant, slave or subject and 621.1 of the Canada criminal code applies to corporations which are fictitious entities and I am not a fictitious entity. I am a descendant of the Autochthonous people of this hemisphere and this planet Earth of which you are well aware and knowledgable of and your corporate codes do not apply to me. I attach a *Statutory Coram Non Judice* which was served on Crown Prosecutor Jeffrey Morrison(3 pages attached) on October 7 2009. Mr. Morrison's phone number is: 780-638-3352 fax: 780-638-3371.

I Most Humbly Thank you for your Honor, Madam.

It is accurate to posit that Australia, New Zealand and Canada are not independent, sovereign countries. However, these nations are not owned and run by the UK; they are owned and run by the House of Windsor Crown Temple syndicate within the City of London Corporation. The head signatory of the Crown Temple syndicate is Elizabeth Windsor (Queen Elizabeth II of England).

It should not be forgotten that the most powerful financial syndicate in the Western World is that of the European Rothschilds. The Rothschilds, because of their power base inside the City of London Corporation, have a controlling membership of the London Crown Temple syndicate, and they also have executive control of the Vatican and the Mafia through the P2 Masonic Lodge in Italy.

The financial affairs of the new UK coalition government in London are also Rothschild-controlled. The line management here is understood to be Jacob Rothschild > Nathaniel Rothschild (N.M.Rothschild & Sons Limited, New Court, St Swithin's Lane, London EC4P 4DU) > Oliver Letwin > George Osborne (British Chancellor of the Exchequer).

Queen Elizabeth II fronts for the Rothschilds. She is the largest landowner on Earth. She is Head of State of the United Kingdom and of thirty one other states and territories, and is the legal owner of 6,600 million acres of land, one sixth of the Earth's land surface. A conservative estimate of the value of the Crown Temple syndicate's land holding, under the Queen's signature, is £17.6 trillion.

The Queen's syndicate land holdings are based on the laws of the countries she owns and her land title is valid in each of those countries. Her main holdings are Canada, the 2nd largest country on Earth, with 2,467 million acres, Australia, the 7th largest country on Earth with 1,900 million acres, Papua New Guinea with 114 million acres, New Zealand with 66 million acres, and the UK with 60 million acres.

Elizabeth Windsor and her covert syndicate in London are the world's largest landowners by a significant margin. The next largest landowner is the Russian state, with an overall ownership of 4,219 million acres, and a direct ownership comparable with the Queen's land holding of 2,447 million acres. The 3rd largest landowner is the Chinese state, which claims all of
